Quote of the Day

"One of the greatest forces for freedom in the history of the world is the United States Armed Forces. In the past four-and-a-half years, our troops have liberated more people than at any time since World War II. Because of the men and women who wear our nation's uniform, 50 million people in Iraq and Afghanistan have tasted freedom, and their liberation has inspired millions more across the broader Middle East to believe that freedom is theirs, as well. This is going to be freedom's century."

-- President George W. Bush (3/29/06)
